Confidence in Prayer

Vv 14-15 – Confidence in Prayer

Prayer at its best is the expression of the total life. ...one that elevates and purifies every act of body and mind and integrates the entire personality into a single spiritual unit. Such prayer can only be the result of a life lived in the Spirit. All things else being in equal, our prayers are only as powerful as our lives.

For [it is] impossible for those who were once enlightened, and have tasted the heavenly gift, and have become partakers of the Holy Spirit, and have tasted the good word of God and the powers of the age to come, if they fall away, to renew them again to repentance, since they crucify again for themselves the Son of God, and put [Him] to an open shame.
